The Story

spounded by Hahnemok is a prosperous fellow. He began planning some time ago, and Jack's plans have worked out

cures and cougek, being a live, wide-awake chap, he determined from the start to make his purchases from Richhich depend upon an most progressive business firms.

ith opiates for their tat Jack was "wise" and knew where to get the best is clearly shown in the following list of firms antributed something in one way and another to The House that Jack Built.

The Plan

ch space on this and the pages following contains a picture, a verse, a number and a cut of the that Jack Built.'

Cartersville Socia, verse describes the article and the picture illustrates it. The number is merely a guide to special to The Times of the "House" is put in for good measure and to the picture of the "House" is put in for good measure and to

"ery phase of the situation is brought out from the saving of the money to the furnishing of thouse and a close study will tell you all about it except the names of the various firms thom Jack did business. That brings us to "The Problem."

The Problem

What firms did Jack do business with? Name them in each instance.

Make a list of the advertisers represented on this and following pages from whom Jack bought things

Make the list in the same numerical order as printed, viz., 1 to 50.

Each verse tells of some thing furnished by some particular firm. What is the name of the firm? Who was the the contractor, etc.? Who sold the shoes for Mrs. Jack? etc., etc., down the entire list

\$50 Prizes, Awarded as Follows:
